

PRESS RELEASE

**SACYR WAS AWARDED INFRASTRUCTURE PROJECTS FOR
1,950 MILLION EUROS (+ 33%) IN 2018**

- **The contracting of the construction division amounted to 2,824 million euros last year taking into account the projects awarded in December and signed during 2019.**
- **The construction backlog of Sacyr's infrastructure subsidiary closed the year at 6,183 million euros, 5.4% up compared to 2017.**

Madrid, February 20, 2019.- Sacyr Engineering and Infrastructure was awarded construction contracts in 2018 for a total volume of 1,950 million euros, 33% more than in 2017. Adding the contracts awarded in December, and signed after the closing, it amounts to 2,824 million euros.

Among the new projects, 1,317 million euros correspond to civil works contracts and 634 million euros to construction contracts. Latin America accounts for 41.3% of these projects; Spain, 22.7%; United States, 16.3%; the rest of Europe, 15.3%; and Africa and the Middle East for 4.4%.

Thanks to these new awards, the construction backlog of Sacyr's infrastructure subsidiary closed December at 6,182 million euros, 5.4% up compared to December last year. By geographical areas, the work backlog is distributed as follows: Spain (12%), rest of Europe (38%), Latin America (39.5%), Middle East and Africa (5.5%) and the United States (5%).

Strong growth in Spain

In **Spain**, the new projects awarded in 2018 amounted to 442.5 million euros, with a growth of 122%.
