

SACYR AND SACYR CONCESSIONS UPDATE THEIR WEBSITES

- **The multinational re-launches its websites in an effort to better reflect the company's transformation in recent years, its positioning, mission, and values.**

Madrid, February 25, 2021.- Today Sacyr and its subsidiary, Sacyr Concessions, **launch their new websites**, accessible at www.sacyr.com and www.sacyrconcesiones.com.

Sacyr has updated the content and appearance of both sites to **better reflect the positioning, mission, and values of the group**. Over the course of the 2015-2020 Strategic Plan, Sacyr **has dramatically transformed its business profile**, becoming a company focused on the sustainable management of concession assets, with two large construction and services divisions.

Sacyr.com and Sacyrconcesiones.com spare no effort in the communication of **multimedia content and the search for human stories** in the various regions where the company operates. Through these examples, Sacyr aims to demonstrate the positive impact of the company's projects on its many stakeholders: employees, society, collaborators, suppliers, shareholders and investors, etc.

The new websites also highlight the 44,000 professionals that make up the company, and both sites serve as key strategic tools in attracting and retaining the best **talent**.

As fundamental pieces of the new 2021-2025 strategic cycle, **sustainability and innovation play a pivotal role on the new sites**. Moreover, both websites strengthen their focus on shareholders and investors, with timely information about Sacyr's performance.
