SACYR CONSTRUCTION OBTAINS SA8000 CERTIFICATION FOR PROTECTING WORKERS' RIGHTS

- **Sacyr's construction subsidiary has tools in place to back its commitment to safe and healthy work environments.**

Madrid, March 29, 2023.- Sacyr has obtained a new certification for its commitment to the protection of employees and its performance in upholding **human and workers' rights**.

Sacyr Construction, a Sacyr subsidiary, has obtained the **SA8000 certification**, an internationally recognized norm that establishes the necessary requirements to achieve a safe and healthy workplace environment, and a company strategy that protects work-related social aspects.

By obtaining this badge, Sacyr reinforces its course onto achieving the **2021-2025 Strategic Plan** goals. These goals promote diversity through hiring diverse profiles and foster an inclusive and safe work environment.

Sustainable commitment

This certification by **Social Accountability International (SAI)** has the backing of the **United Nations' Global Compact**, the **International Labour Organization (ILO)** standards, the Universal Declaration of Human Rights, and each country's national law.

In 2022 Sacyr was included in the TOP21 Human Digital Health for being a benchmark company in terms of corporate wellbeing as its contribution to **SDG 3**.
