

**PRESS RELEASE**

**SACYR EXPANDS ITS SGE 21 CERTIFICATION  
ON ETHICAL MANAGEMENT AND CSR**

- **The SGE21 certification recognizes an organization's commitment to ethical and responsible ESG management practices.**

**Madrid, March 2, 2023.-** Sacyr has **expanded the scope of its SGE 21 certification to four new Sacyr Group companies.** This standard certifies the company's ethical and socially responsible management system. This system was audited by Bureau Veritas, an independent external auditor, under the **Forética SGE 21 standard.**

The four Sacyr companies that have newly obtained this certification are **Valoriza Servicios Medioambientales, Sacyr Social, Sacyr Facilities and Valoriza Centro Especial de Empleo.** Moreover, the certification was renewed for **Sacyr SA and Sacyr Engineering and Infrastructure,** making it **six SGE 21-certified companies** in total.

The SGE 21 certification is the **first European norm that implements, audits, and certifies an organization's ethical and socially responsible management system,** and is only granted to companies with a management system audited by an independent external auditor

### **Sustainability**

Sacyr continues to strengthen its **commitment to the continual improvement of its sustainability management systems.** The company incorporates sustainability into its strategy and formalizes its commitment in the **2021-2025 Sustainable Action Plan, based on four strategic pillars:** Planet Ambition (environment), Team Ambition (Talent), Positive Impact Ambition (Social), and Ambition at the Highest Level (Governance).

Thus, Sacyr continues to promote the work it undertakes in terms of sustainability, and the collaboration with all its stakeholders in the fight against climate change and the
