S&P LISTS SACYR AS A SUSTAINABILITY YEARBOOK MEMBER FOR THE SECOND CONSECUTIVE YEAR

- **The rating agency included the company among the 9 best companies in the ‘Construction and Engineering’ industry for its sustainability performance.**

Madrid, February 8, 2023.- Rating agency S&P Global Sustainable included Sacyr in the Sustainability Yearbook 2023 for the second consecutive year. This document, published annually, highlights the world’s leading companies in sustainability.

The Sustainability Yearbook 2023 situates Sacyr among the 9 best ‘Construction and Engineering’ companies in terms of best ESG practices.

To be listed in the Yearbook, companies must submit the Corporate Sustainability Assessment (CSA) survey and score within the top 15% of their industry and must achieve an S&P Global Sustainability Score within 30% of their industry's top-performing company.

This year’s edition of the Sustainability Yearbook assessed over 7,800 companies from 61 industries all over the world, and includes [708 companies](#) in total.

Committed to sustainability

Sacyr being included in the Sustainability Yearbook 2023 demonstrates the company’s commitment to sustainability, one of the cornerstones of its 2021-2025 Strategic Plan. Among other noteworthy feats, Sustanalytics ESG Risk Rating ranked Sacyr as the best infrastructure company in Spain, and CDP gave Sacyr a score of “A”, the highest possible in climate change fighting practices.
